Certification body for the technical safety conformity evaluation of machinery, such as production machines, transport equipment, electrical and electronic safety components and safety devices as well as personal protective equipment for the prevention of falls from a height

Suva
Swiss National Accident
Insurance Fund
Section Technology
P.O. Box 4358
CH-6002 Lucerne

Head: Guido Schmitter
Person responsible for MS: Peter Kocher
Tel.: +41 41 419 61 31
Fax: +41 41 419 58 70
E-mail: <mailto:technik@suva.ch>
Internet: <http://www.suva.ch/certification>
First accreditation (dd,mm,yyyy): 21.04.1993
Last accreditation (dd,mm,yyyy): 02.06.2008
Updated version: www.sas.ch (accredited bodies)

Scope of accreditation in March 2010

Standards	Approved technical scope	Remarks
EC-Machinery Directive (nMD) 2006/42/EC (17.05.2006)	EC Type-examination for the entire scope of the nMD, specifically for machinery and safety components to annex IV nMD	Draw the type-examination certificate according to nMD (2006/42/EC) Notified Body EU identification number NB1246 according to directive 2006/42/EC
Ordinance on the safety of machinery	Type-examination for the entire scope of the ordinance on the safety of machinery, specifically for machinery and safety components to annex IV nMD	nMD implementation into Swiss Legislation
Harmonised European standards (EN)*		The detailed list of the standards applied is kept by the certification body and monitored by the accreditation office, document CE93-1.e. * q.v. link ¹⁾
